7. (Unclassified - JGO) Received a call from Mrs. Jackie Richards, office of Senator William Proxmire (D., Wisc.), but was unable to reach her at her office during the day.

8. (Internal Use Only - JGO) I met with Gertrude Cleary, office of Senator Eugene J. McCarthy (D., Minn.), and advised her that our people would provide such unclassified information as is available on the Cuban economy in response to her request of yesterday, and that we would be forwarding the information in a few days. She thanked me and indicated that this would be most satisfactory.

9. (Internal Use Only - JGO) I stopped by Congressman William T. Cahill's office and made a tentative appointment to meet with him at 11:30 tomorrow on H. R. 9958, Congressman Cahill's bill to make certain acts against the President and Vice President of the United States and certain other Federal officers a Federal crime.

10. (Internal Use Only - JGO) I met with Mr. Samuel Archibald, Staff Administrator, Mass Information Subcommittee, who indicated that no report will be issued by the Committee until after the hearings. He emphasized that news releases by Representative Cornelius Gallagher were not sanctioned by the Committee rules or Committee authority.
